The Fairbridge Society

The Society was founded by Kingsley Fairbridge in 1909 with the objects of helping children to start a new life in the Commonwealth and giving the Commonwealth good British migrants.

In the past 60 years many thousands of children have been given such opportunity through the Fairbridge Centres in Australia and Canada.

Prior to the passage of the Children Act of 1949 many children, deprived of a normal family life in this country, were given a new and happy life through Fairbridge. Today, the Society is always happy to receive such children on the recommendation of Local Authorities and can offer them a happy life full of opportunity in Australia.

Today, the Society assists families to find a new life in Australia, especially those in which a parent is left alone to bring up their children. The Society helps by sponsoring such single parents and by looking after their children in their pleasant Centres in Australia until the parent is fully settled in employment and the family can be reunited in a new home. Farm Training on the Society's, 3,000 acre Farm in Western Australia can also be given to boys of 15/16 and the Society offers scholarships to Universities in Australia and Canada for young men and women between the ages of 18 to 21.

Perhaps you know of a case deserving of our help or would wish to assist financially in the work of this Charity, if so please write for further details to:

**Lady Resident
requests
your support**

For many years the great ones of the land have asked you to support our annual appeal. This year, as one of the nine hundred elderly residents of the Methodist Homes for the Aged, I thank you for your generosity in the past and trust you will be able to continue your help.

There are now thirty Homes and I feel I am greatly privileged to spend my old age in such comfortable, happy and friendly circumstances. There are many thousands who are not so fortunate and it is for their sake I appeal for funds to build even more of these truly wonderful havens of freedom and security. Please bring this appeal to the attention of your clients when they consult you concerning Legacies or Codicils.

**Methodist
Homes for the Aged**

THE CRUSADE OF RESCUE

The Society provides services for children deprived of family life.

Over £100,000 is needed annually from voluntary sources.

It is the policy of the Crusade of Rescue to reserve voluntary funds for services to children who without this help from the Catholic community would not be brought up as Catholics. Where public funds are available for ordinary welfare these are always obtained.
